Connections Ministry

Host Team

Greeter Team • no experience or membership required! Can you smile? Are you willing to greet our church family and visitors as they come to worship? This is the perfect place to start. We need volunteers to serve at each door and in the lobby to make people feel welcome and to pass our worship folders and other information.

Coffee and Doughnut Team • do you need a hot cup of coffee or tea to start the day? How would you like to help prepare the coffee and other beverages for our Sunday morning worship services? We also need volunteers willing to get up a little early and pick up our fresh, *Hot* Krispy Kreme Doughnuts. No experience required. We can show you everything you need to know.

Safety Team

The safety and security of our church family and guests are paramount. Each Sunday we need volunteers to help provide an extra layer of security in our children areas and Worship Center. We also need medical professionals to be available to respond to an emergency that might arise on the campus. There is a place for you on this ministry team!

Campus Maintenance Team

Do you notice loose boards, dripping faucets or flickering lights? Any homeowner understands how time consuming “little things” can be. In a facility our size, there is ALWAYS something to be done. If you possess plumbing, electrical or other skills, then we’ve got a job for you!

Prayer Team

Prayer changes the world! Now more than ever, we need to lift each other up in prayer. If you are a prayer warrior looking for a place to serve, this is the team for you.

Small Group Leader

At Rabbit Creek Church, we offer three different types of small groups: Connect Groups, Change Groups and Commit Groups. The Connect groups are home groups where individuals and couples can meet, eat, fellowship and pray together. These are ongoing groups where you can live your ordinary lives together as you grow closer to each other and to God. Change groups are an opportunity to study a particular topic for a specific amount of time. Commit groups are dedicated to a ministry event. If you are interested in hosting or leading one of these groups, we can help!
